The collection of taxes in all the mches is very unsatisfactory

Chitaldrug & Davanagere Town mches have chief arrears in the case of Land Revenue. The arrears in the case of Town mches amounts almost to as much as 40 percent

unless the Presidents [illegible] concerned
evince personal interest, the arrears are
not likely to be collected quickly

The D-C circulars will be reported
to Minn monthly. D.C.'s statements
from the 7 Districts where the arrears are in excess that be
of 3 thousand pounds should then regularly be called for
by arbitrary amounts appearing. Thereafter

OFFICIAL MEMORANDUM.

Review on the demand, collection and balance of Municipal taxes of the several Town and Minor Municipalities in the Chitaldrug District for the quarter ending 30th June 1945.

Inspite of issue of several D.O. reminders and telegrams, the returns from Davangere, Chitaldrug, Harihar, Holalkere, Jagalur, Challakere and Naikanahatti were received long after the due dates. Such delays should be avoided. The Presidents are requested to see that the returns are sent on the due dates. The D.C.B. for the quarter ending 30-9-45 should be submitted so as to reach this office on or before the 10th October 1945.

2. Including the arrears, the total demand under all heads was Rs.2,33,105/- during the quarter. Out of this, a sum of Rs.1,18,995/- was collected and a sum of Rs.5,157/- was either written off or remitted leaving a balance of Rs.1,08,953/-.

3. Octrai:- The entire demand amounting to Rs.34,525/- was collected during the quarter under review as against Rs.29,428/- in the previous quarter.

4. Assessed Taxes:- There was an arrear of Rs.95,016/-, a sum of Rs.8,001/- was taken on demand during the quarter making a total demand of Rs.1,03,017/-. Out of this, a sum of Rs.37,552/- was collected, and Rs.968/- was written off the accounts leaving a balance of Rs.64,497/-. The collections are very poor in all the Municipalities except in Molakalmuru and Hiriyur. All the Presidents are directed to take immediate steps for the collection of arrears. The pay of the collection staff should not be disbursed until they show better progress. The entire arrears should be collected by the end of the current quarter. Systematic procedure should be adopted by issue of bills, notices and distraint orders and by instituting suits in courts for the recovery of arrears.

5 Other taxes:- Out of the total demand of Rs.95,563/- a sum of Rs.46,918/- has been collected, a sum of Rs.4,189/- has been written off the accounts during the quarter leaving a balance of Rs.44,456/- at the end of the quarter. The collections are very poor in all the Municipalities except Mayakonda, Molakalmuru, Holalkere, and Hiriyur The outstandings are very heavy in the Municipalities of Chitaldrug (3,264) Davangere (36,291) Harihar (1,913) and Challakere (1,746). The Presidents are requested o see that the arrears are collected immediately. There is no reason why the Miscellaneous taxes should fall into arrears The might of occupancy and other previleges given to these defaulters should be immediately cancelled if the arrears are not paid immediately. The rental for two months should be recovered and held under deposit and the rental or fees for each month should be recovered as per rules without giving room for the accumulation of arrears, in case of default, the right should be sold to others It is hoped that the entire arrears will be collected by the end of the current quarter.
